INDEX TO MIGRATION BULLETINS NOS. 11 - 32
and MIGRATION DIGESTS NOS. 33 - 39

Prepared and Issued by the Division of Social Welfare
Department of Social Affairs

The Migration Digest has been issued for the internal use of the Secretariat. It has also been brought to the attention of the members of the Social Commission and representative organizations co-operating with the United Nations in migration matters. The information items contained in the Digest have been collected from such sources as have been available to the Division of Social Welfare. The Secretariat cannot assume responsibility for their accuracy, and they are not to be considered as reflecting the official views of governments or of the Secretariat.

The Migration Digest was first issued in 1947 with the title Migration Bulletin, under which name it was known until the issue of No. 32. It ceases publication with this number in accordance with the Secretary-General's policy, approved by the Economic and Social Council in resolution 557 A (XVIII), that the efforts of the Secretariat should be concentrated in future "on field activities to assist emigration and immigration countries in solving the social problems arising from migration" (Document E/2598).

Beginning with No. 33, the Migration Digest reported on national developments only.
